MADE FOR LIFE.

Established in 1972 the iconic name Barkers has now become synonymous as one of New Zealand's leading fashion retailers renowned for quality and innovation. At Barkers, we design for life – the workdays, the milestones, and everything in between. Barkers Corporate is built on that same belief, created to support the realities of work life with considered design, dependable quality, and long-term consistency.

Barkers Corporate is a standalone brand, purpose-built for corporate uniforms and professional apparel. While distinct from the Barkers retail range, it's built on the same Barkers philosophy – quality, consistency, and considered design.

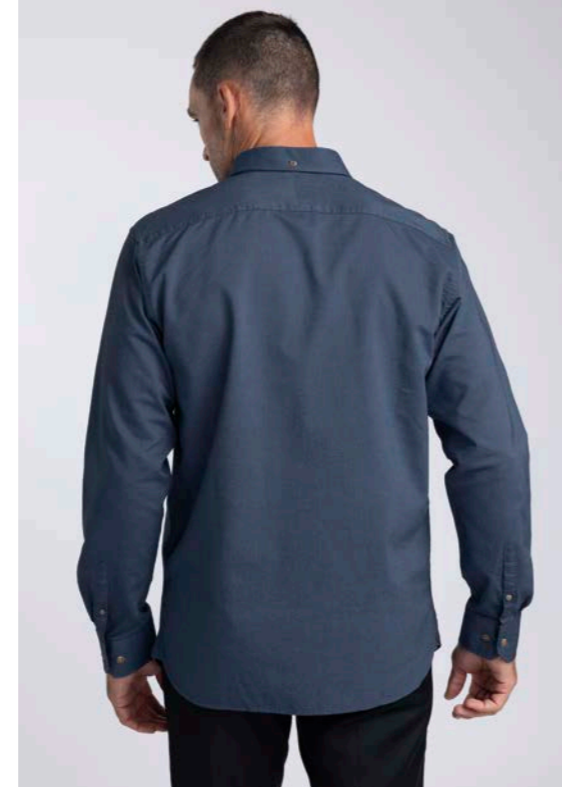

This is clothing designed to support work life – from the first wear to the hundredth – without compromise on comfort, appearance, or durability.
