— CUSTOM MANUFACTURING —

WHAT IS INDENT

Indent manufacturing allows you to produce made-to-order products directly with our trusted factories. This gives you full control over design, branding, cost and exclusivity.

FACTORY-DIRECT PRICING

CUSTOM COLOURS & MATERIALS

YOUR BRANDING EVERYWHERE

FLEXIBLE MOQs

END-TO-END PROJECT MANAGEMENT

HOW IT WORKS

We make custom manufacturing simple and transparent.
A SIMPLE 3-STEP PROCESS

1 TELL US WHAT YOU NEED

Share your idea, product type, quantity and any brand requirements.

2 WE DEVELOP YOUR SOLUTION

Our team works with our factories to create samples, refine the design and confirm pricing.

3 PRODUCTION & DELIVERY

Once approved, your order goes into production with our QC team overseeing every step. We manage shipping and delivery to your door.

WHY INDENT

Our Indent Program allows you to create products tailored specifically to your brand and customer needs.

✓ **Better margins than standard stock**

Direct factory manufacturing keeps costs down and maximises profitability.

✓ **Your design, your colours, your branding**

Control every aspect – fit, fabric, trims, materials, packaging.

✓ **Access to a wide range of product categories**

From uniforms to premium bags, outdoor tools, lifestyle gifts, drinkware and more.

✓ **Proven factories with strong QC**

Long-term partnerships ensure consistency, reliability and on-time delivery.

✓ **End-to-end project management**

We handle sampling, costing, production, quality control, consolidation, logistics and delivery.
